## 2024 All-American Games Program Summary

*"Where Olympic Dreams Begin"*

The USA Softball All-American Games is a prestigious tournament to be hosted at the USA Softball Hall of Fame Stadium in Oklahoma City. This event will provide National exposure to elite athletes in the 12u age division and has been designed to identify and highlight the best athletes from across the country.

Each Region will select teams (up to two teams) comprised of 15 players and 2 coaches each to represent their geographical area. Additional at-large selections are given to regions with highest registration. This event is designed to recognize individual athletes for their outstanding playing abilities and selections should represent the individual best players and not an in-tact team.

Designation to a USA Softball All-American team is the highest honor a player can receive and instantly brands the player as one of the top athletes in the United States. Only 360 girls Nationwide will have the opportunity to wear the USA Softball Jersey at this elite event.

Participants experience VIP treatment during their time at the USA Softball All-American Games. The event will feature a meet & greet with USA Softball National Team Members, Opening Ceremonies, intense competition in a 4 Game Guarantee Tournament and a swag bag for all participants.

Please watch the website and social media for more information.
